“ Shula was one of the kindest and sweetest ladies I've ever met. I was honored to have met her through the Yucaipa Woman's Club and the Yucaipa Relay For Life from the American Cancer Society. I know she went through a lot and suffered when she was diagnosed. I am a cancer survivor myself and I know firsthand the anguish she faced daily. I will miss her dearly. My heart and prayers go out to her family. RIP dear Shula...
